

# Door locking system

# 8 point high security Window locking system

## Hinge security

### .....Intelligent thinking

Our unique door hinge has been designed to provide practical installation benefits whilst maintaining traditional aesthetics.

As with all of our window and door furniture this is available in white, brown, chrome and gold finishes.

## Window security

### Hard wearing, durable windows. Its all in the design.

However important windows are to the style of any home, the security they offer is even more important.

Our SAC shootbolt locking system is specially designed to improve security and performance that is second to none. It also takes pressure away from the hinges, ensuring a longer life for your windows.

The tight seal guarantees superb weather protection too, so you'll feel safe and secure in every way.
